28th August 2026

Good afternoon

I hope you have had a wonderful summer and enjoyed the sunshine! How quickly those times fade into memories.

I love the first week back of the school year, the buzz of excitement, the sharing of summer moments, the plans for the term ahead, as well as the refreshed displays and classrooms. The potential is palpable as you walk around the school, the new exercise books neat and ordered, the shoes polished and the pencil cases full. The challenge is to maintain this even on the coldest, darkest days, when you are tired and not quite feeling it. Consistency will beat talent every time, turning up and giving your best every day.

Enjoy the Bank Holiday weekend!

Kind regards

Ben Rackley
