## New GCSE Grading Structure

Reformed GCSEs will be introduced gradually over three years from September 2015. They will be graded from 9 to 1, instead of $A^{*}$ to $G$.

Students awarded GCSEs in 2017 and 2018 will therefore receive a mixture of 9 to 1 and $A^{*}$ to $G$ grades.
Students will not lose out as a result of the changes. We will use a statistical method (known as comparable outcomes) so that:

- broadly the same proportion of students will achieve a grade 4 and above as currently achieve a grade C and above;
broadly the same proportion of students will achieve a grade 7 and above as currently achieve a grade A and above;
- the bottom of grade 1 will be aligned with the bottom of grade G;
a grade 5 will be awarded to the top third of students gaining the equivalent of a grade C or bottom third of a grade B.

In addition, the top 20 per cent of those who get a grade 7 or above in each exam will be awarded a grade 9 .
