

Dear Parents/Guardians

Tomorrow students will be required to complete our weekly registration exercise. Students will complete the task during their PD session on Show My Homework. This is a really important exercise and this is where parents can really help us; please ensure that your child has logged on and completed the PD exercise before 3pm, the end of the usual school day. We are required to contact every child that has not completed the exercise, so your help with ensuring this is completed on time would be really appreciated by staff. We will need to complete a registration exercise each Wednesday from now on.

If you have any problems logging into Show My Homework then email us at admin@wvacademy.org.

Thank you for your help with this important task.

Kind regards

Rachael Boyall
