Dear Parents/Guardians

Following the Government's announcement yesterday evening please could you contact us **by 5pm today** at [admin@wvacademy.org](mailto:admin@wvacademy.org) if you are a key worker or a parent of a vulnerable student and you would like your child to continue to attend school. We are in the process of putting in place plans to ensure we meet the needs of these students and will be in contact with you shortly to share these plans with you.

In the Prime Minister's speech yesterday keyworker were defined as all hospital staff, police, delivery drivers and other essential services. Vulnerable students are those defined as having an Educational Health Care plan or are supported by social services or Supporting Leicestershire Families. Please do contact us if you need clarification.

These are exceptional and changing times and we wish to support you as we go forward.

Yours sincerely

Nicola Morland
