20<sup>th</sup> March 2020

Dear Student,

From Monday 23<sup>rd</sup> March, our work with you is going to be very different. You will be completing your school work from home, working through lessons which we will have set for you on-line using Show My Homework.

However, in other ways things will not change. We will still be interested in your progress, we will continue to care very much about how you are doing and you will continue to have work to do in all your subjects!

The other thing that will stay the same is how we feel about all of you as Wreake Valley students. We've been incredibly proud of how you have responded to the situation we are all facing, and we know you will continue to be brilliant as you face this latest challenge.

We will miss seeing you in person but we look forward to seeing you on-line from Monday morning.

With best wishes

From All the Staff at Wreake Valley Academy
