

Dear Parents/Guardians of Year 10 Students

In light of the updated advice from the government yesterday, regrettably we have taken the decision to cancel Yr 10 Work Experience from tomorrow. Students can remain at their placement today if they wish to do so or go home. All Year 10 students will be expected in school tomorrow. This is not a decision that we have taken lightly but one that we feel is necessary for the health and safety of the students. We hope that you will support our decision.

Yours sincerely

Nicola Morland
Acting Principal
