2<sup>nd</sup> April 2020

Dear Parents and Guardians

We hope that you and your children are starting to settle into learning online. I think it is safe to say that it has been a steep learning curve for us all. We are very proud of how our students have faced the challenge head on and we really appreciate how families have supported them. Thank you to everyone for their patience and perseverance particularly those of you who have experienced some IT issues.

We have been working to put together some guidance to help you overcome any little problems with Learning Online, as we move forward. Please have a look at the attached Frequently Asked Questions and Show My Homework guidance. It would be helpful if you could also share the information with your child. We have also attached the contact details for Heads of Departments in case you have a subject specific query. Please ensure that if your child is contacting staff by email that they are doing so from their school email and not their personal email.

If you have any problems that you are unable to resolve after referring to the documents attached then please contact us at [admin@wvacademy.org](mailto:admin@wvacademy.org).

We have now set up a section on our website for all things related to Coronavirus for you to easily refer to. You will see this on the homepage of the website on the main menu bar.

Kind regards

Rachael Boyall
