Dear Students, Parents and Carers,

This has to be the single strangest transition into leading a school that it is possible to undertake. I should start by thanking everyone for the incredibly warm welcome and all of the positivity that there seems to be within the school community.

Clearly all of us are waiting to hear from the government, exactly when we can reconvene as a school community. I know from a staff perspective we are missing that family feel which is so obviously in evidence at the school.

Thank you to everybody for the efforts to keep in touch with each other. I am certain there will be things we can improve on and opportunities that have been missed but on the whole the interaction between school and home (and vice versa) has been something I have been hugely impressed with.

There will come a time for more detailed messages about the return to school and the things that I may do differently from a leadership perspective but for now please just stay safe and communicate as often and as positively as possible. So far, whilst we have had teething issues with home access to the internet in some cases, on the whole we have been able to solve most issues.

Throughout the summer term I will be supporting Roundhill Academy in addition to Wreake Valley. This is a great opportunity to develop the links between the two schools for the future.

Thank you to everybody for your support and the welcome that you have given me,

Tim Marston
Head Teacher
