

Dear Parents/Guardians

We have been made aware that there has been some fraudulent activity around Free School Meals. Some families in West Leicestershire were contacted and asked for their bank details to access Free School Meals Vouchers. Please be assured that we will NEVER contact you to ask for your bank details and you should ignore any such message.

Mark Twitney our Finance Manager is coordinating the distribution of Free School Meals to eligible families and will be in contact by email on Friday with details of the new national Free School Meal voucher scheme week that comes into effect from week beginning Monday 20th April.

If your personal circumstances change, application for free school meals can be made through Leicestershire County Council here <https://www.leicestershire.gov.uk/education-and-children/social-care-and-supporting-families/free-school-meals>

Please do not hesitate to contact us if you have any queries regarding Free School Meals please contact mtwitney@bepschools.org.

Yours sincerely
