15th June 2020

Dear Parents & Carers

Free School Meal vouchers update

I'm pleased to say the government scheme website processed our latest order yesterday; and you should have received an eCode covering the three weeks from Monday 15th June to Friday 3rd July inclusive (£15 per child, per week). Over half of these have already been redeemed for a supermarket voucher.

If you have NOT received the latest eCode, please let me know and I can request the website resends it. Also, if you have any outstanding issues with previous eCodes or vouchers, please let me know.

The next eCode will be sent on or around Monday 6th July. At this stage, we don't know if the government voucher scheme will continue over the summer holidays.

Thanks.

Kind regards
