6th July 2020

Dear Parents & Carers

### **Free School Meal vouchers**

I hope you and your family are keeping well. I'm pleased to say that the government scheme website processed our latest order overnight; and you should now have received an eCode to cover the final week of term from Monday 6th to Friday 10th July (£15 per child).

If you have NOT received the latest eCode, please let me know and I can request the website resends it. Also, if you have any outstanding issues with previous eCodes or vouchers, please let me know as soon as possible.

### **COVID Summer Food Scheme**

As you may have seen in the press, following a successful campaign led by the footballer Marcus Rashford, the government are funding a single £90 voucher per child to cover the whole summer holiday period.

You will receive this eCode early next week and this can be redeemed in the usual way. As with all supermarket vouchers, the whole amount does not need to be spent in a single transaction.

I hope you and your family have a nice summer in these strange times and we look forward to seeing all the children again after the summer holidays.

Yours

Mark Twitney
