

Student Update

2nd November 2020

Monday 2nd November

- Charnwood has moved into Tier 2
- From Thursday a second Lockdown comes in to effect

What changes will this mean for you?

- From today you must bring a face mask to school
- Wear your facemask when you are moving around the building
- Wear your facemask if you are having a meeting with a member of staff where you are indoors and not 2 meters apart
- Wear your facemask if you are in the building and near people from other year groups e.g. in detention

This keeps us all safe.

What stays the same?

- The school is open – you must still come to school if you are well
- Stay in your year bubble
- Don't move around the building unaccompanied
- If you are in Years 7,9 and 10 use the toilets before school, break and lunchtime
- If you are Years 8 and 11 use the toilets during lesson times (do not be tempted to use the toilets at break and lunch)
- Ask a member of staff if you need help – if you feel unwell or if you need the toilet at times outside of your allotted time or if you are worried about anything
- Stay at home if you have a new and continuous cough, a high temperature or a change in your sense of smell or taste
- Bring a coat /waterproof to school. We will use the outdoor spaces as much as possible. You do not need to wear a mask if you are outside
- Bring a warm jumper to wear under your blazer. We will continue to ventilate the rooms

What happens if someone has a positive Covid test?

- We will phone and speak to Public Health England and the Department for Education
- We do this for everyone who tells us they have a positive test
- Public Health England and the Department for Education tell us what we have to do
- We will tell you and your parents if you will need to self isolate for a period time

What happens if you need to self isolate?

- You may need to self isolate for 10 or 14 days
- Someone will phone and speak to your parents
- You will have all your work set for you on Show my Homework
- If you are stuck on your work you can message your teachers using the feedback on Show my Homework
- We will phone and speak to you each week to find out how you are

Things to check?

- Have you got your facemask and coat?
- Do you know how to put it on and take it off safely?
- Do you have your equipment for the day? (You should not be borrowing from anyone)
- Do you know your logins? Show my Homework, Heggarty, Seneca (for some pupils) etc?
- Do you know how you should be moving around the building?
- Do you know what to do if you feel unwell or worried?
