

Dear Year 13 Students, Parents and Carers,

We hope that you and your families are well. We are writing to Year 13 to confirm our arrangements for A Level and BTEC Level 3 results day this year which will be on Tuesday 10th August 2021.

We will be emailing results to students using their school email address at 8.30 am on Tuesday 10th August. A paper copy of results will also be posted home on the same day. It is imperative that all students check that they can still access their email accounts and that they know their login details by the end of term. If a student does not remember their login details, students need to email Exams2021@wreake.bepschools.org that we can reset the password before results day.

On results day all students will receive a phone call from either Mrs Johnson, Karen Stirk or a member of the Senior Leadership Team. The purpose of our call will be to find out if you have accepted your university place or if you have secured your apprenticeship/employment position. We will be offering face to face appointments/support if you require help with Adjustment, Clearing or your future pathways.

Universities will receive teacher assessed grades from exam boards before results day and will review your application. If you have exceeded the conditions of your offer, you may be eligible for Adjustment.

Adjustment is a chance to reconsider what and where to study whilst still holding your original, first choice university place. If you are eligible for Adjustment you will be advised when you log in to Track on UCAS. We strongly advise you to discuss your plans with one of us before making any final decisions.

If you do not meet the requirements of your conditional offer universities may still be able to accept you onto your chosen course or offer you an alternative course to study with them. If you are unplaced you need to look at the opportunities available to you in Clearing.

Clearing is how universities and colleges fill any places they still have on their courses and is now available for students to begin their research the courses available.

Conditional Offers

If you have a conditional offer, please complete the form below so that you have an idea of the courses available in Clearing in case you do not meet the entry requirements of your chosen course. Bring this form with you to your face-to-face appointment so we can support you with the clearing process.

If you have any further questions or would like any support, then please don't hesitate in contacting us kjohnson@wreake.bepschools.org or kstirk@wreake.bepschools.org

Kind regards

Katie Johnson
Head of Bradgate Sixth Form

Karen Stirk
Student Manager
