18th January 2022

Dear Parents & Carers of Year 7 students

This evening a small number of staff have returned positive LFTs, this combined with staff who are at the end of their isolation period tomorrow means we will have to teach Year 7 remotely tomorrow.

Year 7 have been selected as they have been the least impacted so far this academic year.

Please access the work via Satchel one. Year 7 students will be back in school on Thursday.

Kind regards

Tim Marston
Headteacher
