

4th September 2023

Dear Parents/Carers,

Welcome back from the CEO

I hope that you have enjoyed a great summer holiday and that you and your family are well. We have enjoyed a busy summer period across the Trust, all our schools and our staff ready for this exciting new term.

Who are we?

We are a multi-academy Trust (MAT) who operate to support the educational and non-educational developments of all of our academies. We support our 16 local academies covering Pre-schools, Infant, Primary and Secondary academies including our 6th Form at Wreake Valley Academy. We also run an amazing inclusion unit at one of our secondary schools. Our Trust has approximately 6000 pupils across our 16 sites and we employ over 800 staff. We are solely based in Leicestershire. Please see our website here <https://bepschools.org/our-schools/our-schools/> for details of our academies.

Annual Survey

Thank you for completing our annual survey for parents. We appreciate the time taken to complete this survey and we want to consider your feelings and opinions based on the experiences you have had at the academy that your children attend. We will write out to you and share our findings.

Vision and Values

We spent a large part of the summer term working with our senior colleagues and Head Teachers reviewing our vision and values. We have reviewed how far we have come over the last six years and we have been planning on what our priorities are as we move forwards. Part of this work has been to review our vision and values. I am proud to share this with you [here](#).

Reinforced Autoclaved Aerated Concrete (RAAC)

As you are no doubt aware, the press has reported on some concerns across the country with RAAC. We have not had anything flagged up to us as a concern and we will continue to monitor all schools in line with latest DfE guidance as we move forwards.

Thank you for taking the time to read this letter and I look forward to hearing from you through our annual survey.

Kind regards

Chief Executive Officer
